# INSTRUCTIONS FOR USE AND CARE

## Before First Use

- Pour boiling water over the pan base to ensure hygiene.
- Clean it twice using mild detergent and dry with a soft cloth.

## General Use

- Never heat the pan empty or allow liquids to evaporate completely.
- Limit preheating at maximum power to three minutes, then reduce to 50-75% heat.
- Avoid leaving cookware unattended while in use.

## Cleaning Recommendations

- **Hand Wash Only:** Wash the pan base and handle separately with a soft sponge and mild detergent.
- Avoid abrasive materials that can scratch the coating or finish.
- While dishwasher-safe, hand washing is strongly recommended to maintain durability and aesthetics.

## SAFETY INSTRUCTIONS

- Handles may become hot during use. Always use oven mitts or gloves when handling.
- Do not use the product in a Microwave, Oven Or Grill.
- Avoid sliding the pan on glass or ceramic hobs to prevent scratching.

## OVEN / MICROWARE USE

**While the pan base is oven-safe up to 220°C, we recommend avoiding oven use to preserve the handle's aesthetics and structural integrity.**

### Cooker Types

- **Induction Hob:** Ensure the pan base is compatible with your induction cooktop.
- **Glass Ceramic Hobs:** Avoid unnecessary movement to prevent scratches.
